### Comparability of Services

It is the policy of the Ansonia Board of Education to insure comparability of services funded by state and local sources in both Title I project schools and non-project schools. The Board of Education will therefore:

1. Adopt a district-wide salary schedule.
2. Provide services with state and local funds in schools serving Title I project areas that are at least comparable to services in non-project areas.
3. Use state and local funds to provide for an equivalence among all schools with the same grade levels in teachers, administrators, and auxiliary personnel.
4. Use state and local funds to provide for an equivalence among all schools with the same grade levels in the provision of curriculum and instructional materials, books, and supplies.
