Dear Students and Parents/Guardians,

On July 1, 2019, I started to serve as Ansonia's Superintendent of Schools. On that same day, my colleague, Stephen Bergin, also began his tenure as the Assistant Superintendent. With the start of the new school year just days away, we are excited to begin our partnership with the entire Ansonia community. We believe that by working together, we will provide our students increased opportunities, enhancements in our academic programming, and the development of career pathways. We will be meeting with parents, teachers, students, community members, and stakeholder groups to introduce ourselves and learn from your valuable insight and experiences. We are immensely proud of our students, teachers, and staff, and we are committed to making sure that all of our students are experiencing rigorous curriculum, in a safe and supportive learning environment.

Ansonia is a very proud community with a storied past. The foundation has been built for a successful future. We look forward to working with you and your children.

Again, we are very proud to serve the Ansonia community, and we look forward to the months and years ahead. We are inspired by our students and confident that they will continue to impress us in the academic arena, on the athletic field, in our schools, and in our community.

With your help and continued support, our students will reach great heights. We know we can't do it alone. With the Ansonia community standing strong alongside our students, everything is possible.

Sincerely,
